

2020 Mayor's Summer Youth Jobs

Dear Washingtonians,

Over the past 40 years, the District's Summer Youth Employment Program has opened doors of opportunity for more than half a million young Washingtonians. This year, thousands more young DC residents will have experiences that help them develop critical work skills, meet mentors, and stay safe throughout the summer.

But first, we need our young people (DC residents between the ages of 14 and 24) to apply and we need employers to partner with us. Tomorrow at noon, applications to do both will open at summerjobs.dc.gov. Applications will be open until February 29, and the Mayor Marion S. Barry Summer Youth Employment Program will run from Monday, June 29, 2020 through Friday, August 7, 2020.
